POINT-OF-SALE BRIEFING — § 41-27.4(C)

I acknowledge the dealer briefed me on:

1. **Proper and safe use** — pepper spray is for self-defense, defense of another, or protection of property only. Offensive use is illegal under § 41-27.3(a).
2. **Shelf life** — typical canister: 2–4 years from manufacture. Check the expiry stamp.
3. **Proper disposal** — do not incinerate; return expired canisters to the store or a hazardous-waste facility.
4. **First aid for contact** — fresh air, copious cold water, do not rub eyes; medical attention if symptoms persist beyond 60 minutes.
5. **Effectiveness and limitations** — disorientation in seconds; wind, rain, intoxicated or combative subjects reduce effectiveness; ineffective at >10 ft for most consumer cans.

LEGAL ACKNOWLEDGMENT

By signing, I attest that I am **18 years of age or older**, that I will use this product only for the lawful self-defense purposes set out in ROH § 41-27.3(a), and that I will not alter the manufacturer's name on the canister.
